- WHY:** The San Diego County Health and Human Services Agency (HHS) East Region Child Welfare Services, in partnership with the La Mesa Sunrise Rotary Club and the Solana Beach/Del Mar Rotary Club, will be working together on a Foster Family Fun Day for all east county foster families. This Rotarian call-to-community action day, Saturday, April 29th, is a day where all Rotarians will be helping to make a difference in their community. The 100 foster families already registered to attend will have a wide variety of activities to choose from that help encourage physical activity as a lifetime pursuit. Increased participation from these local Rotary clubs will help advance the East Region's Neighborhoods For Kids program, whose vision is that all East County children are surrounded by familiar people and places that encourage them to thrive.

EDITOR'S NOTE: Due to confidentiality concerns, video or photographs of foster children is strictly prohibited. Thank you for your cooperation.
