GETTING STARTED

Welcome, this class is designed to lend a helping hand to those who are new to the world of computers. you will learn a little about Windows (where you begin), Computer Terminology, surfing the World Wide Web, and corresponding using E-mail.

Word Processing - Beginning: We begin with Microsoft Word's word processor with topics like: terminology, character formatting (fonts, colors, WordArt, etc.), paragraph formatting (spacing, indents, etc.), cut/copy/paste, and spelling and grammar check.

Word Processor - Intermediate: This class is for those with some Microsoft Word experience and includes a review of the beginning word class as well as: columns, margins, paper sizes, labels, tabs, numbers, bullets, and ClipArt.

Digital Photo Editing: Come explore digital photo editing with a range of programs like Microsoft Word, Picasa, and Photoshop Elements. Download photos to your computer so you can edit, resize, adjust colors, print, and e-mail them. **No Camera Is Needed But Computer Experience Is Required**

Slide Show: Microsoft's Power Point uses a graphical approach to presentations in the form of slide shows. you can produce slide shows of photos with text, graphics, video, animations, etc. **Computer Experience Required**

Spreadsheets - Beginning: Learn the basics of a spreadsheet with Microsoft's Excel by creating simple formulas to perform calculations. your spreadsheet can be used for day-to-day tasks, like your checkbook, keeping track of your investments, or expenses for your business or club activities.

Word Processor - Advanced

We will continue with Word to learn about borders, shading, tables, headers, and footers. As well as working with graphics and pictures to create flyers, posters, cards, etc. using ClipArt, WordArt, and Drawing.

Computer Classes January Thru June 2009

These classes will provide basic training in Microsoft Windows, Word, Excel, and PowerPoint, as well as the Internet, Email, Graphics, Photo Editing, and File Management at a relaxed pace in a “hands-on” environment.

Instructor: LeNita Hague | Questions call: 728-1671
