

Pickleball

Pickleball is a fun game that is played on a badminton court with the net lowered to 34 inches at the center. It is played with a perforated plastic baseball (similar to a whiffle ball) and wood or composite paddles. It is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players. Join us for fun, friends, and lots of laughter!

Pam's Dog Academy

Doggie Manners

Do you want to confidently walk or take your dog anywhere? Do you want your dog to stop jumping on your friends and family? Would you like your dog to be calm at dinner time and not steal food off the table? Do you want your dog to know how to come when called, sit, lie down, or stay? Is your dog barking at every person, dog, or thing he sees? Would you like to one day compete in obedience, agility, canine freestyle, or tracking? Well, if you answered "yes" to any of these questions then this class is for you.

Tricks, Tricks, & More Tricks

Do you ever watch "Pet Star" or "Dog Trick Shows" and wish that your dog could do amazing tricks? ANY DOG CAN LEARN TRICKS! This class is built around the tricks that you would like your dog to learn. It is advised but not mandatory to take the Doggie Manners class prior to this trick class.
